## Forestry Assistant Seasonal Position Available

May 14, 2019

Skul'qalt Forestry Limited Partnership is currently seeking individuals to fill 1 seasonal position for the following forestry related activities:

- Cutblock Layout
- Road Layout
- Timber Reconnaissance
- GPS'ing
- Stream Assessments
- Silviculture Survey assistance
- Timber Cruising assistant

The activities will generally be in the Lower Similkameen Community Forest/Apex/Olalla/Princeton areas developing Skul'qalt Forestry LP and LSCF harvest units. The working areas are located within 1.5hrs of the Marshalling Point of Keremeos.

### The job will be: Seasonal part-time

- Work-shifts and duties will vary:
- Potential startup date: June 1, 2019
- Potential end date: September 1, 2019.
- *\*Season Start will be snow & access dependent.*

### Field Assistant - Qualifications:

- Must be physically fit and self-motivated.
- Driver's License/mode of transportation to meet at the Marshalling Point.
- Able to work well with others in a team type environment.
- Must be able to follow all Company and Work-safe job procedures.
- Flexibility with work schedule
- LSIB Community members or applicants with Aboriginal Ancestry will be given preference

### APPLICATIONS:

Please apply for the position by e-mailing your resume and cover letter to Mike Beck, RPF – Engineering Manager at [MikeBeck@Capfor.ca](mailto:MikeBeck@Capfor.ca) OR email Tracy Lawlor [Skulqalt@lsib.net](mailto:Skulqalt@lsib.net) or hand deliver to the Skulqalt Forestry office in the LSIB band office.

**DEADLINE for Applications is May 30, 2019**
