- Assist in conducting and monitoring of field work.
- Maintain and organize an accurate and detailed field log-book.
- Assist with implementing and monitoring natural resource projects.
- Complete wildlife enumeration, identification and capture/collection techniques as required, e.g. trapping, mist netting, hair snagging.
- Apply policies and legislation as required.
- Operate and maintain field equipment and instrumentation.
- Maintain communication and correspondence files for all work activities.
- Other duties as discussed and agreed upon.

#### **Qualifications and Competencies required:**

- Grade 10 graduation. Demonstrated interest working in First Nations natural resources.

#### **Knowledge, Skills and Abilities**

- Awareness of natural resources management.
- Interest in learning enumeration techniques and wildlife and plant identification.
- Ability to work independently as well as in a team.
- Ability to work with a variety of field equipment.

- Good communication skills.
- Demonstrated organizational and time management skills.
- Availability of a reliable vehicle and a valid BC Driver's License.
- Ability to work flexible work hours and willingness to work on evenings and weekends if needed.

**Application Procedure:** Interested candidates are invited to send a current resume and covering letter to:
