WE WILL PROTECT THE WATER

Join ONA Natural Resources Committee Chair Chief Christopher Derickson discussing the Syilx Water Strategy

The syilx siwłk^w Strategy is a call to action that outlines how the syilx Okanagan Nation intends to steward and care for our territory and work to ensure that siwłk^w is properly respected and available for all living things.

We invite you to join us in celebrating the release of the syilx siwłk^w (water) Strategy. This document would not have been possible without the contributions from over a 100 members, elders, nsyilxcen speakers, leadership, women and youth from all 8 member communities.

**Open to Syilx Okanagan
Nation Members &
Community Members, &
Community Partners.**
